

# Membership Application

The mission of Ormond Beach MainStreet is to revitalize the design and economic development of our downtown by uniting businesses and community. Ormond Beach MainStreet is a non-profit volunteer-based organization established in 1995. There are 2,000 MainStreet Community Programs nationwide, established by the National Trust for Historic Preservation.

The Ormond Beach MainStreet district includes Granada Boulevard from A1A on the east to Orchard Street on the west, and areas to the north and south of Granada Boulevard. Ormond Beach MainStreet is a partnership between public and private sectors. Our purpose is to develop the strong resources necessary to build a thriving downtown community, including beautification and economic growth. Our ongoing activities include:

*Weekly Farmers Market at City Hall Plaza, Thursday, 8 am – 1 pm; Annual spring Celtic Festival; Annual area map distributed to all Ormond households (30,000) and through area visitor information booths highlighting local businesses and events; Annual fall Riverfest Seafood Festival; Monthly emails for Ormond Beach events; active social media groups; City Hall Holiday Tree Lighting and Concert; Art and business events sponsored by the Ormond Beach Arts District*

Please join us in making Ormond Beach MainStreet the “place to go” for dining, shopping, entertainment, and cultural activities. Our vision is to see downtown Ormond Beach become one of the most cultural, historic, aesthetic, and economically-healthy communities on Florida’s east coast.
